WINES & CHAMPAGNE- Liverpool Marina always produces a wine list that is in common use for functions, bar customers and weddings. Our House list always provides a good comprehensive range of wines to meet every budget and we always have a good value range of wines for functions and weddings. Vintages and Labels do change over time and we would advise customers who require bottles of wine to be served to ask for the current wine list. Supply of a specific label or bin and price can normally be guaranteed within a year of your event. Our house Champagne is currently Mumm Cordon Rouge NV, recognised good quality champagne.
